

PCB Mounting BNC Jacks - continued

Screened PCB/Panel Sockets 50Ω

Straight, Elbow and Low Profile

Low profile, elbow

Straight

Fully screened PCB/panel sockets, designed for EMI shielding applications. The low profile version is suitable for computer expansion cards.

Adaptors & Accessories

RF Adaptor Kit

6 Series

- 30 piece Kit
- Adaptors for **BNC, UHF, Mini UHF, N, TNC, and SMA** series
- Nickel plated conductor bodies with gold plated centre contacts
- Each series contains 2 male and 2 female interfaces plus 6 standard screw couplers
- Allows male to male, female to female and female to male adaptors for any series
- Zippered soft leather case

Microwave Cable Assemblies

SUCOFLEX®- 26.5GHz

SUCOFLEX® 100 series flexible microwave cable assemblies offer superior electrical and mechanical performance for static and dynamic applications. The 104 series is a high end product developed to provide optimal performance up to 26.5GHz where stringent electrical requirements are important, in particular stability and low loss. Typical applications: Test and Measurement, aerospace, defense systems
