Diecast

- Lightweight alloy body
- Bright nickel or resilient black chromate finishes
- Spring shielding clamp
- Screening conforms to VDE 0871, FCC 20780 and EC EMC directive when part of an approved system
- Attenuation >40dB over 30MHz to 1GHz
- Accepts foil or braided cables
- Steel jackscrews (48mm)
- Nickel plated for nickel shells
- Black for black chromate shells
- Instructions supplied
- Wide cable variation, 3.5-13
- Lip height = 1.3

- Front profile
- 35° Cable Entry
 - Nickel plated die cast covers
 - High quality plastic capped UNC440 jackscrews
 - Rapid assembly strain relief insert
 - 360° Metallised shielding
 - Metallised shielding greatly enhances the performance of the hood
 - Fully tapped screw holes
 - Phillips headed screws
 - Crimp Hood uses ferrule kits from MH Die cast Hood System
