

R.F. Cable Stripping Tools — Continued

Cable Stripping Tools – 2 and 3 Step

Two easier to use and more versatile versions of the original cable stripping tool, **supplied complete with long life blade cassettes**. The two-step version prepares cable for 'Twist-on' coaxial connectors, and the three-step for most crimp BNC and TNC plugs.

Suitable for use with RG58, RG59, RG62, RG174, RG179, CT100 and Belden 8281 coaxial cables.

Note: The three-step replacement cassette cannot be used in the two-step tool.
