### PROMAN® System

- Portable, easy-to-carry system
- Includes dispenser & disposer
- Presents a professional image
- Designed to hold about 1 week's supply of wipers
- Can be bench or wall mounted
- Four types of refill wipers available

### KIMTEX® Classic Wipers

Medium-duty cloths with a low lint level; chemically inert and will not break-up during use.

Contains 76 blue sheets per pack.

Sheet size: 360 x 420mm

### KIMTEX® Plus Cloths

Robust, tough, premium cloths for heavy-duty tasks. Low lint levels minimises risk of contamination; chemically inert and will not break up on use.

Contains 62 dark blue sheets per pack.

Sheet size: 360 x 420mm

### KIMWIPES® Steel Blue Wipers

3-ply bonded paper giving a strong wiper with excellent wet strength properties.

Manufactured from 100% recycled fibre.

Contains 150 blue sheets per pack.

Sheet size: 380 x 420mm

### WORKHORSE® Manufactured Rags

Heavy-duty rag manufactured from HYDRKNIT® (Fast Absorbing Material) technology, combining maximum strength with absorbency.

Contains 70 white sheets per pack.

Sheet size: 380 x 420mm
