Iron Stands Standard

- KH20 for use with HAP1, LR21, T3000 and TCP
- KH6 for use with W61 and W101
- Reinforced spring safety holder to prevent flex tangling in spring
- Supplied with sponge and cast iron base

Iron Series	Mfrs. List No.	Order Code	Price Each
TCP	KH20	.454-734	
T400, W60 & W100	KH6	.419-217

Sponge (5 pack)	52241999	.800-636.	

Weller Low Voltage Irons and Power Supplies

Magnastat Soldering Station – WTCP50

- Controlled through ferro-magnetic sensing
- Soldering temperature set by changing tip
- Station supplied with Pencil, PT-B7 Tip and Support
- P50 will only power TCPS
- Supplied with UK mains lead
- Lead adaptor required if TCPS iron is to be used with PS-stations

Supply: 230V Output: 24V 50 Watts

Description	Order Code	1+	5+	10+
Station	WTCP 50	321-2300		
Station (Euro)	WICP 50	401-5198

Support	KH20	454-734		
Lead Adaptor	0058703915	321-2312		

'Magnastat' Controlled, 45 Watts, 24V ac – TCP UK Version for use with PS2/PS3 Power Supplies

Barrel length (excl tip) = 50, Barrel dia = 9

- Lightweight thermoplastic handle
- Capacitor is incorporated to prolong switch life and eliminate interference
- Compatible with any PS series power supply
- Fitted with a 3 core, 1.5m silicone lead as standard or 3m version available
- Supplied with 'longlife' tip. Order Code 416-290, see Page 1402
- Supplied with a Bulgin 3 pin connector

0151004299-TCP3M	.415-534				

'Magnastat' Controlled, 35 Watts, 12V dc – TCP-12V For use with Car Battery or 12V Power Supply

Barrel length (excl tip) = 50, Barrel dia = 9

- Operates on 12V dc
- Can be powered from a car battery
- Incorporates all features of standard TCP iron
- Fitted with 2 core, 1.3m silicone lead
- Supplied without a plug
- Supplied with 'longlife' tip. Order code 416-290, see Page 1402

Note: This item is not to be used with Weller 24V power supplies

0151004099	.415-510				

Electronically Controlled Iron – T3001

- Temtronic soldering pencil
- Adjustable temperature from 200°C – 450°C
- Power supply 24V
- Potential free
- Requires ET series tips
