- Contents: 2, 2.5, 3, 4, 5, 6, 8 and 10mm

	Order Code	1+	5+	10+
Ball Hex	312-7140			
Long Ball Hex	312-7102			

Ball Ended Drivers

- Triton range from CK. The blades are made from chrome vanadium steel with non-flake corrosion resistant gunmetal finish
- The handle is moulded directly onto the blade for safety and durability

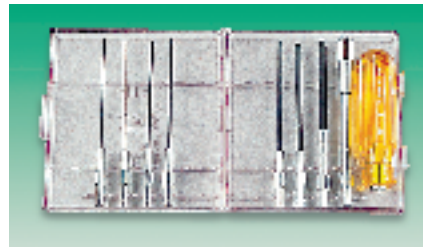

Note: The reduced neck diameter of all ball ended drivers makes them vulnerable to overstressing. The user should take care not to exceed the stated torque limits..

Size	Maximum Torque	
	lbf/in.	cN/m
3	20	226
4	60	678
5	100	1130
6	180	2034
8	180	2034
