## Dead Blow 'Thorace'

- Hollow head partially filled with steel shot which adds to the weight, prevents rebound, and delivers 'dead' blows for maximum impact
- One piece head and handle in die cast aluminium with screw-in soft faces
- Supplied fitted with white nylon faces. Additional faces in soft grey plastic and tough brown polyurethane are also available (see 'Spare Hammer Faces', page 1771)

Weight	Face Dia.	Mfrs. List No.	Order Code

680gm hammer	<b>.106-556</b>				
907gm hammer	<b>.106-557</b>				

## Spare Hammer Faces

- Replacement faces for the soft face and dead blow hammers
- White nylon is for most applications, brown polyurethane for tougher jobs, and the grey plastic is very soft for minimum surface damage
- The grey faces are not recommended for dead blow hammers
