

Vices

- General purpose vices available with jaw opening of either 90mm or 160mm
- Quick release adjustment, mates with either of the bench bases. Supplied with one pair of plastic serrated jaws.

	Order Code	1+	4+	20+
90mm jaw opening	.143-902			
160mm jaw opening	.143-901			

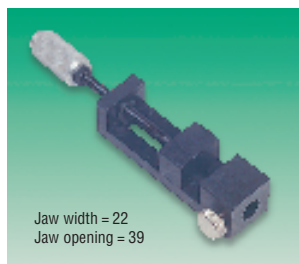

Vice Jaw Linings

- Moulded plastic and aluminium jaw linings for the 143-901 and 143-902 vices
- Linings have vertical and horizontal 'V' slots
- Available as plain smooth faced (145-283) or serrated (143-903)
- The aluminium linings have vertical 'V' slots only and are plain faced

Supplied in Pairs	Order Code	1+	4+	20+
Moulded plain	.145-283			
Moulded serrated	.143-903			
Aluminium plain	.143-904			

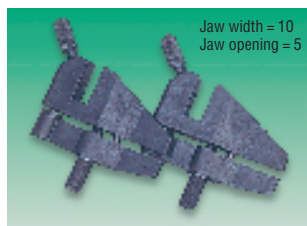

Mini-Vice

- Miniature moulded vice with a jaw opening of 39mm
- The jaw surfaces have a plain smooth finish
- The vice clamps on to either the 50mm or the 100mm extension rods or the swivel knuckle joint

Order Code	1+	4+	20+
.143-912			

PCB Clamps

- Narrow fully adjustable moulded clamps for holding PCBs
- The jaw surfaces have a plain smooth finish
- The clamps are designed to fit the bar mounting kit

Supplied in Pairs	Order Code	1+	4+	20+
	.143-913			

Swivel Knuckle Joint

- Swivel knuckle joint that is used with the screw fixing clamp below

Supplied In Pairs	Order Code	1+	4+	20+
	.143-906			

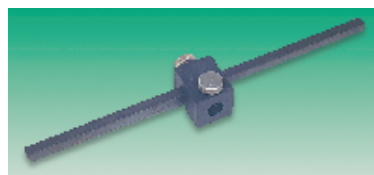

Screw Fixing Clamp

- Fixing clamp which fits the mounting rod (Order Code 143-914), which must be used with the swivel knuckle joint

Supplied in Pairs	Order Code	1+	4+	20+
	.143-905			

Bar Mounting Kit

- A mounting kit used in conjunction with the PCB clamps
- Clamps may be positioned anywhere along the 200mm square bar
- Detachable screw fixing clamp fits the clamping system swivel knuckle joint

Order Code	1+	4+	20+
.143-909			

Mounting Rod 500mm

- 500mm long 12.82mm (0.5") diameter mounting rod to locate in either of the bench bases
- Bar accepts screw fixing clamp (Order Code 143-905) to which clamping system accessories may be attached

Order Code	1+	4+	20+
.143-914			

Extension Rods

- Available in either 50mm (143-907) or 100mm (143-908)
- Position tube clamps and mini vice away from the swivel knuckle joint or mounting rod

	Order Code	1+	4+	20+
50mm	.143-907			
100mm	.143-908
